I've had no reply to my previous letter. Do you take no responsibility?

Please contact me if there is a problem.

These disputes are much better and less expensively settled between the parties only, but if I hear nothing by 3/20, I'll instruct my attorney to sue.

These, again, are my expenses:

antibiotic prescription MurrayOverhill Pharmacy	7.10
--	------

replacement cost for Daks All Wool Slacks quoted by B. Gross Media	85.00
--	-------

Total	92.10
